

Clay County, Missouri Land Survey Document

CERTIFIED LAND CORNER RESTORATION

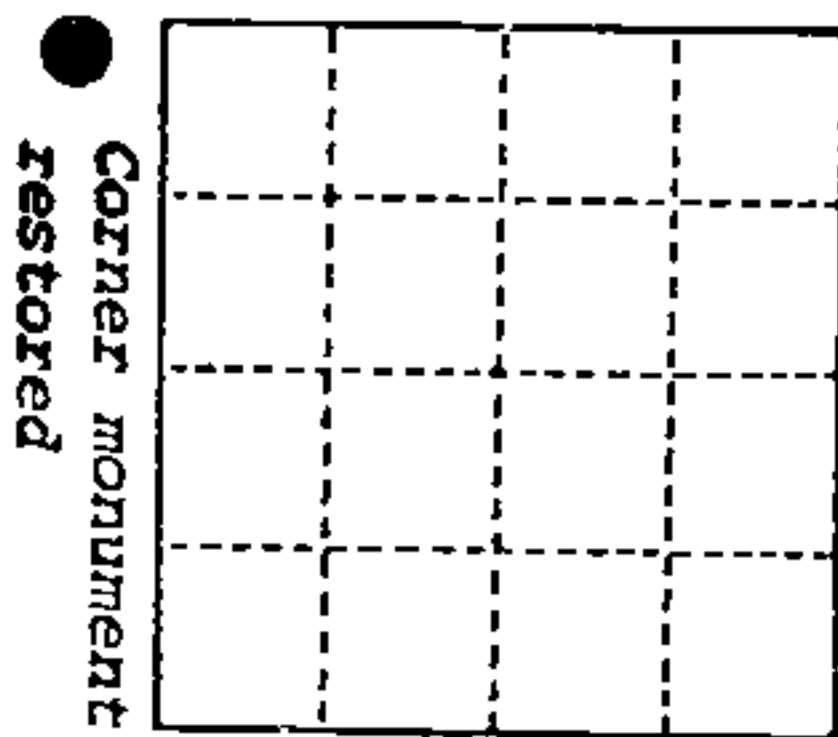

Description of original monument and accessories and subsequent restoration:
(Include book and page of original notes)

Description of corner evidence found:

4" Concrete Monument with crosscut extending 6 1/2" above ground surface
Old 3/8" rebar along side

Description of monument and accessories I established to perpetuate the location of this corner:

4" Cedar NW 12.51' (Nail East Side)
9" Elm NE 20.58' (Nail East Side)
6" Elm NE 6.70' (Nail North Side)

This is to certify that I, Michael Ray Burke, found evidence of the NW corner of Lot 9, Thebeau Hill No. 3 Township 40 North, Range 4 East of the Fifth Principal Meridian, and that I have established a new monument and accessories as described above to perpetuate the original location of this corner and that the found evidence and restored monument and accessories are correctly shown hereon.

IN WITNESS WHEREOF, I have hereunto set my hand and seal the 18th day of December, 1978.

Field Work Executed:

Date 11-2-78

Name Michael Ray Burke

By Michael Ray Burke

Registration No. 1615

I, the undersigned STATE LAND SURVEYOR, do hereby certify that the foregoing instrument was filed for record with the STATE LAND SURVEY on the 5th day of December, 1978, and is truly recorded as Document Number Attachment to 750-15076

W. C. Moore
(State Land Surveyor)
